

Lound Archive — part 5

The Archbishop of York's land remained undisturbed by the reformation, but those of the monasteries were dispersed among lay purchasers. In 1539 Mattersey Priory went to Anthony Neville, esquire of the royal body and in 1553 two jobbers named Browne and Trappers purchased Priory land.

One result of the change of religion was that Lound lost its church. With an income of only £4-2s-6½p, in 1548 it suppressed. In vain, the inhabitants tried to uphold the change but failed and the chaplain, John Thorpe was pensioned off and all income seized. As no provision was made of its use it fell into decay. Subsequently, by law the adults of Lound were compelled to worship in their parish church at Sutton and is doubtful if they received much benefit from the vicar instituted in 1598. He was the Rev. James Brewster, probably brother of William Brewster.

For nearly three hundred years the village had no church until 1859 when a new building, St. Anne's church was erected (now a private house).

A Lingers Woody Ramble Arranged for Friday 12th October

Bonfire Night

Saturday 3rd November

6.00pm – 8.00pm

This fantastic annual family event has been taking place in Lound for over 35 years. Originally, the bonfire and firework display started on the playing field and then moved to the playing field extension and adjacent field where it takes place now. The Village Hall Committee and countless villagers have given their time to make this a success over the years. It takes a lot of organising and hard work and would be virtually impossible to put on without the generous support of local farmers Julian Powell and Sam Walter.

Opening time 6.00pm with the bonfire being lit at 6.30pm. Low noise firework display at 7.00pm and main display at 7.30pm. Refreshments:- Hot Dogs, Cakes, Tea and Coffee. Glow necklaces and sticks on sale for the youngsters.

→→→ *We take health and safety very seriously and would ask you **Not** to bring your own fireworks or sparklers to the event.*

The playing field gate will be open on Saturday morning Oct. 20th & 27th for delivery of your **burnable material only**.

School Governors

Sutton Cum Lound school is looking to recruit a number of Foundation Governors to monitor and guide the school on its journey. The school has grown in size and pupil numbers over the past few years and is well regarded in the locality. A foundation governor would need to commit to at least two evening meetings per term, plus occasional school visits. We look to recruit governors from diverse backgrounds with a range of skills. If you are able to spare some time, and would like to help the school reach its next objectives please contact the school for an informal chat or more information on Tel: 01777 705990 for further information.

It is a delightful woodland walk which includes an ancient beech glade.

Please let Gee know on Tel: 818792 if you would like to come so that we can book a table for a pub lunch and arrange transport.

We will leave Willow Cottage at 10.45am. Do join us!
