

Edgar Tomblin — Part 5

The two elder girls in the family went to work in Service in Retford. The wages were £1 each per year after board and lodgings. The third girl Sally had to stay at home to look after baby Arthur. William went to school when they could afford it and left my Grandmother and my Farther as breadwinners.

My Grandmother worked in the fields as for all women consisting of potato planting, picking, sorting, twitch picking, hoeing and helping at harvest. The wages were 6/- per week. My father at 8 years took employment at Charles Walkers, Alpha Farm at 4p per day working a single horse or leading teams of horses, double pay when he could manage a pair of horses to work a full yoke.

Food was gleaned by the children with very little bought, except for material for making cloths, fuel and one box of matches per year (366 matches to a box). Local flour obtained was used to make bread which was baked in the Village oven opposite the Wesleyan Chapel. A bundle of faggotts (sticks) was contributed and your 4lb loaves were baked for 1/2p each.

Sutton-cum-Lound School

Sutton-cum-Lound school is looking to recruit a number of Governors to monitor and guide the school on its journey. The school has grown in pupil numbers over the past few years and requires additional Governors to join the Governing Body. The prospective Governor would need to commit to at least two evening meetings per term, plus occasional school visits. We look to recruit governors from diverse backgrounds with a variety of skills. Full training is provided. If you are able to spare some time, and would like to help monitor and challenge the school, then please contact the school for more information on Tel: 01777 705990.

Midsummer Madness

Saturday 22nd June

Entertainment for all the family and friends on the Village Playing Field

Starting at 3.30pm with children's activities, followed by BBQ's for cooking, a Ceilidh and the fabulous 'Green Bullet Blues Band'.

Organised by the Village Hall Committee, this is a Village fun event. Why not pop along and enjoy the relaxed, fun atmosphere and meet new friends and neighbours.

Linghurst Lakes

Your help is needed!

Donated to the Village in 2004, Linghurst Lakes needs regular maintenance to keep paths free, overhanging branches cut back, control of ragwort and thistles and much, much more. The current Committee is dwindling due to ill health or moving house. Why not contact the Parish Council and get involved and help look after this wonderful facility next to our Village.

All Dog Owners

Unfortunately, there are reports of excessive dog fouling on the paths around the lakes. Please *'flick'* it away or take it home. Also, plastic 'poo' bags are being left on tree branches!

Work to identify issues which are important to the lives of the residents of Lound.

Bring about improvements through local projects, lobbying other service providers and working in partnership with other parishes and agencies.

Influencing and shaping the long term development policy for the parish, and as part of the planning process, comment on planning applications in the parish.

Lound Lingers

Our linger is on **Friday 14th June** is a walk near Treswell. It includes Ashton's meadow which is an ancient field that has not been

treated or ploughed in recent times. The ridge and furrow system of cultivation can still be seen and the flowers at this time of year should be beautiful. It is a site of special scientific interest and there are very few such meadows in Nottinghamshire.

We meet at Willow Cottage, 65 Town Street at 10.45am. Please let Gee know on Tel: 818792 if you would like to come so that we can organise transport and book a table for a pub lunch. Everyone will be most welcome to join the group.

Date for your diary:

Our summer walk this year around Lound is planned for **Friday 26th July**. This will be followed by lunch at the Bluebell. More details in next month's Crier.
