Crier News

Limited news this month, however, if you wish to submit information in future Criers then the easiest method is to go on line via the Village Website. Under the Crier tab you will find the link to enable you to contact the Crier team - easy...

The Crier is now 4 decades old and is a very important message board for the Village, subsequently, the Crier team is always looking for interesting information to keep Villagers informed of what is happening in and around Lound.

Lound Phoenix Group

The next meeting will take place on Tuesday September 20th and is an afternoon visit to the Parish Church of St. Mary Magdalene at Newark. St Mary Magdalene's has stood since medieval times and is one of the largest and finest parish churches in the country.

The church began around 1160, though much of what we see today dates to the 14th and 15th centuries. Taking a closer look will reveal a hole in the spire marking the spot where the shot from a Parliamentarian cannon is said to have struck the church in 1664 during the Civil War.

The visit will include a private tour of the church commencing at 4.00pm with tea and coffee on arrival. The cost each will be around £4.50 depending on numbers. On return home, a meal has been arranged at Spencer's, Retford at £12.50 for a two course meal.

If you would like to come along, please let Karen Pollard know Tel: 816336 before September 11th so that arrangements can be made.
