

Linghurst Lakes Creation

1999 - The water level has risen to full height and the trees and shrubs established and growing. Viewed from the south side, the islands are visible compared to today which are safe havens for waterfowl and aquatic birds.

Below, do you recognise the location of the lifebuoy in the winter of 1999?

If not, it is the life buoy on the right as you enter the lakes via the main entrance off Neatholme Lane.

The trees and shrubs are very small compared to now allowing a clear view across the whole site.

'Lound Lottery' Draw/Tickets—P2

The Birth of a Village Hall in Lound - Part 1 of 2

Let us start with a piece of land which was a small corner of the huge front garden of Lound Hall, in the south east corner of the plot. The front garden consisted of a depth which took it from the front of the Hall to the playing field. A ha ha along this boundary, to stop live stock entering the garden but no interruption to the view from the house. The width of the garden was from the crossroads to the south of the Village Hall.

In 1834 Lound Hall was the residence of Henry Bagshaw a gentleman of Lound who with others wanted to build a Methodist chapel, even though a primitive chapel already existed it would not have been to their liking. Therefore, £100 was paid for this small plot in the corner of the front garden.

On this same front garden a house exists and at one time a large wind mill of unknown date for lifting water out of the ground. Henry Bagshaw also gave his name to the road with the avenue of trees, between the two crossroads. The change in name to Daneshill Road was probable done by clerical era at some stage, it does not seem to have been done officially.

Lound Village Pony Draw

June Draw £25 Lucky Winners

139.. Simone Bell
122.. Ian Prince
69.... Martin and Sue Clements
138 ...Claire Challener

The £50 prize was rolled over to July, when it will be worth £100 in the first '**Lound Lottery**' in the third week of July.

Tickets - either your first or a second! - are still available for the 'Lound Lottery' at £25 for the year.

By supporting 'Lound Lottery' you are supporting the maintenance of your village hall. Since the post office is now mobile rather than in the village hall every week, we have lost a very valuable source of regular income. So, we have increased the number of lottery tickets available to partially offset this.

Please support your Village Hall!!
