MIKE ROBERTSON UPDATE FOR PARISH COUNCILS: JUNE 2025

COUNTY COUNCIL

Current composition of the Council:

Reform UK (lead group) – 41

Conservative (opposition group) – 17

Labour – 4

Independent – 3

Vacant – 1

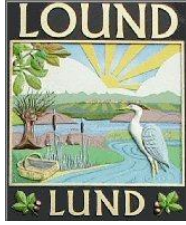

The County Council's AGM was held on Thursday 22nd May where Cabinet and Committee members were confirmed. All appointments to role are published on the County Council website.

In this municipal year, I have been elected as chair of the health scrutiny select committee and also have a position on the Clayworth Education Foundation committee. I have also been asked to sit on a new committee we have introduced as part of the councils armed forces champion scheme.

One motion was proposed to Council by Cllr Penny Gowland of the Labour group, proposing that Nottinghamshire County Council should consider retaining services in County Hall and looking at the disposal of the newly built Oak House which cost £19m to build. The motion was voted down and cannot be brought back to Council for a further 6 months.

COUNCIL UPDATES

CDF – I have been advised that CDF applications cannot be processed until 9th July 2025. This is due to 3 by-elections taking place and restrictions on spending in election periods.

My Notts App – The Chief Executive as the council, Adrian Smith extolled the benefit of using the My Notts App for a range of council services, but for residents to effectively and easily report pot holes.

I am going to do a big push for this and taking community action using the app to report as many pot holes as possible.

Veterans support – As previously mentioned, I have been invited to sit on a committee as part of the armed forces champions scheme. This scheme has a £20k pot of money to support veterans, so if anyone has any ideas on initiatives we can look at, I welcome any suggestions.
