Safari Supper

This is an event that everyone who takes part (without exception) enjoys very much! It involves a three course meal with each course taking place in a different house, yours being one of them! You will be entertaining six people, including yourselves, for one course (starter, main course, dessert) with wine or whatever beverage you choose to offer. It's all very secret and you'll be told which course you are preparing but not who is coming to eat with you. Beforehand, you will receive a written direction for where to go for your starter, if you're not preparing one yourselves. Then at each house you will be told where to go next and, hopefully about 9.30pm we all end up at the pub together! Timing has to be strict since everyone needs to be moving round the village at the same time! It takes some time and concentration to work out the logistics for the evening, so if you wish to join in please message or call Tessa or Carol on:

tessahart2004@yahoo.co.uk;

Or, Telephone: 07547527754 or 07547527754 by the end of September, with your name, address,

phone number and if you have any dietary requirements. If you are alone or your other half doesn't fancy it but you do, there are plenty of people in a similar situation, so you could easily pair up with one of them.
