09.25.11 Councillor raised items:

- Following careful consideration, it was resolved not to support the request from the Village Hall Charity for funding or financial support towards future events, on the basis that the Parish Council already provides an annual donation to the Village Hall Committee. Members further agreed that additional event funding would not represent an appropriate use of public funds, given that the Village Hall has the means to raise revenue through entry fees and similar activities. It is noted that whilst Sutton cum Lound Parish Council have donated to a community event, this was to a independent resident and not to the Village

Hall Committee who manage Suttons Parish Councils Village Hall under a financial lease agreement.

- It is agreed that the Village Hall can annually hold the Christmas Tree lighting event on the Village Green.
- It is tentatively agreed that the Village Hall can place a banner on the playing field fence for village hall events. These should be fixed using cable ties and not nails.
- It is agreed for the clerk to instruct a contractor to clear the ditches and remove the brambles from the inside of the playing fence area.
- Clerk to chase highways in respect of the Give way sign at the Stop junction and the broken direction sign which has previously been reported.
