>Parking—Chainbridge Rd.:

It has come to our attention that cars are being parked on the grass area at the top of Chainbridge Road. This is leaving ruts in the grass and preventing grass cutting taking place. Can residence of Chainbridge Road please park on the road and not on the grass. *Thank you*

>Dog Fouling:

Again, complaints of continuous dog fouling on Little Top Lane. Responsible pet owners clear up their dog mess and do not leave it for the residents on Little Top Lane to clear away. If caught you will be reported...

>Black Bins for Glass:

Bassetlaw District Council will be introducing a new Glass Recycling Collection Service from 30th March 2026. Deliveries of the new black bins, which are just for recycling glass, will be distributed across Bassetlaw on a weekly basis up to the end of February 2026.
