02.26.10 Tree Warden, Green Warden & Footpath Wardens

None

02.26.11 Councillor raised items:

Daneshill Road – Leaf Clearance from Pavement

Resolved: Council RESOLVED to instruct a suitably insured contractor to clear accumulated leaves from the pavement along Daneshill Road, subject to the work being achievable within the next few weeks and the cost being met from the maintenance budget.

Relevant Power: Local Government Act 1972, section 111 – Power to do anything incidental or conducive to the discharge of council functions.

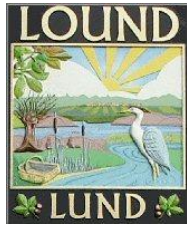

Proper Officer Notes:

Leaf accumulation presents a foreseeable slip hazard, particularly in wet or icy conditions.

The contractor must hold appropriate public liability insurance.

Responsibility for highways generally rests with the Highway Authority; this action is preventative and discretionary.

This decision does not set a precedent for routine highways maintenance.

Linghurst Lakes – Additional Access Stile and Signage at Neatholme Maintenance Gate
Resolved: Council RESOLVED to defer the matter back to the Linghurst Lakes Committee, and to remind the Committee of the agreed Maintenance Plan and legal conveyance obligations.

Relevant Powers: Local Government Act 1972, section 111 – Incidental powers in relation to land management and maintenance. Local Government Act 1972, section 133 – Power to acquire, hold, and manage land.

Proper Officer Notes:

Linghurst Lakes is private land and not open access. Installing a new stile could increase public access expectations, liability, and maintenance obligations.

The proposal represents a deviation from the agreed maintenance and access plan.

A full risk assessment and management plan should be submitted before any future decision, addressing health and safety, environmental impact, and insurance implications.

02.26.12 Correspondence

- NALC Newsletter
- A resident raises via a councillor representation, the issue of poor mobile signal in the village.
- Invite for a tour around the AD Plant.
- Various other literature emailed
