New Fitness Classes

My name is Clare and I live in Everton, I've been teaching fitness classes for over 30 years and I am researching to see if there is any interest from anyone locally to come and join me, in Lound Village Hall on a Wednesday and/or Friday morning. I have a passion to help people move and improve their mobility and ability. My motto is: *something is always better than nothing, let's just move*. And it's so true.

Could you let me know if you would be interested in any of the below and also what day - a Wednesday or a Friday morning?

- Beginners Line Dancing
- Gentle legs bums and tums
- Balance and stretch
- low impact aerobics
- Over 50s mobility
- Yoga Flow
- Anything else?

If you would be interested in something like this I'd love to hear from you. You can message me on my mobile: Tel: 07833664958

The Annual General Meeting of the Village Hall Committee will take place in the Village Hall on **Monday 20th April** at 7.45pm. All positions will be subject to re-election. All are welcome to attend and we welcome new Committee members. Meetings are relatively informal, usually in the Bluebell Inn and we try to stick to a time limit of an hour and a half. Our large and enthusiastic committee works hard to provide enjoyable activities as well as raising funds to maintain the Village Hall.

Thank you Parish Council

Now is a good time to say a big Thank You to members of Lound Parish Council who work to support our village.

Just one example is provision of the new equipment on the playing field which is great for the children, and the necessary fence to enable us to post No Dogs Allowed signs on the gates.

Did you know that they fund the Crier, which is so helpful for keeping us up to date with local events and information. They still have a vacancy if you would like to join. A special Thank You to Alan Jones for producing the Lound Crier and keeping our website up to date. He didn't want to print this, but we insisted.

Also, special thanks to everyone who has supported village events, and recently given us good ideas for future activities.

We are acting on your ideas... Info to follow.. Thank you for all your generous donations throughout the year, which have enabled us to provide children's parties and to give to local charities.

Through the Crier, we thank Jerry for 20 plus years of active involvement in helping to maintain such a valued facility for the village.

If you would like to join the committee, why not come along to the AGM. It is important to have active committee members to ensure the lakes are maintained in accordance with the management plan for the enjoyment of villagers and future generations.

These prices are slightly more than you would pay if you go to a workshop at the Fired Fusion Studio in Adwick Upon Dearne, as the company adds £5 per head for mobile workshops, and we have added £2 per head to cover the cost of the Village Hall.

Visit the Fired Fusion Glass Design website or their F/B page to view the items. Once you have decided what you would like to make, you can pay and reserve your place.
